The Town Council of Strathall
have sent in 18 bye-laws under different
clauses of Sect 48 of the Town Regulation
The Officer above deals with each
of them and the several modifications
proposed in the different bye-laws may be
approved with the following modifications -

As regards 5, Market bye-laws,
and other bye-laws some amendments were carried for

The list of action from under
other bye-laws should be included in
the schedule of rules & laws appended
to the Rules proposed by the Council under
Sect 46(1) & (2) (vide pages 4 & 5 of the Minutes
Bye-laws to be included also be transferred
under the heading "exceptions" to the schedule
along with the names of the articles

Bye-law 14 embodies provisions
relating to recovery of fine imposed on

The Regulation provides for the recovery of the loss & fine. It seems unnecessary to repeat all this in the bylaws. The portions indicated in pencil on page 8 of the Circular (private draft bylaws) may therefore be omitted.

The bylaws for Markets are intended to be framed under Sect 48 (1) (a). This subclause relates only to Markets or places belonging to the Municipality or what are called public markets. But bylaw 4(a) of these bylaws is so generally framed as to include even private markets. There is no objection to have private markets under a licence to be issued by the Municipality under Sect 48(1)(b).

As 48(1)(a) applies only to public markets, this may perhaps be made clear. ~~Bylaw~~ 4(a) may be amended as follows & inserted at the beginning of the Market bylaws:

No place within the Town of ... shall be used as a public market for the sale of animals, meat, fish, fruits or vegetables or other articles intended for human food excepting the public weekly market site provided by the Municipality. - 2

~~As the Municipal Council is not to be bound by the provisions of the bylaws as to private markets, the bylaws~~

If the Mnd Cl want to control
private markets or shops for the sale of
this above then they will have to frame
bylaws under sub 48(1) (b) also
they may therefore frame combined
bylaws for them as in the case of the
Tumkur Town Mnd Cl. The Mnd
Council will be informed accordingly.

Bylaws relating to erection of
temporary structures, pandals etc
(Page 15 of the Draft Collection)

It cannot be said that
the Mnd Cl has no power to issue
licenses for the erection of temporary structures
and remove fees therefor, under sub 70(1)
of the Act. But they can do so only
as regards temporary structures on public
streets or other lands vested in the Mnd
Cl. The Mnd Cl has framed bylaws
so as to make this applicable even
to private lands ^{in the case of private lands}. The heading
B ~~under sub~~ on page 15 of the draft
Collection has to be changed as follows
"B. Erection of pandals on
public streets or other lands vested in the
Mnd Cl for dramas, circuses and other
public entertainments."

The bylaws may be appended
with the ~~above~~ modifications proposed
in some of them.

(L. S. S.)

I have gone through the Bylaws
may be app'd with the modifications suggested above
for the attention of the Council.

Any person contravening this order shall be liable to a penalty on conviction of any sum not exceeding Rs 50 for each offence

[NOTE — The tank known as Chikkere is reserved solely for the supply of drinking water to the inhabitants of the Anekal Town. The provision to reserve any other source of water supply from time to time is very necessary as some ponds or tanks have to be reserved every year during jatra season only for a short time. It will not be possible to frame bye laws for those particular sources every year and get sanction of Government. Further it will be the same case during epidemics. Therefore power has been taken to the Municipal Council to reserve any other source of water supply from time to time. Similar power has been given by statute alone to the Municipal Councils to reserve sources of water from time to time for bathing and washing purposes under Section 133 of the Mysore Municipal Regulation. Now power is taken to reserve for the supply of drinking water.]
